

WHY CANNON:

- Uncover inefficiencies
- Reduce spend
- Manage usage
- Improve IT cost transparency
- Maintain control over IT budget

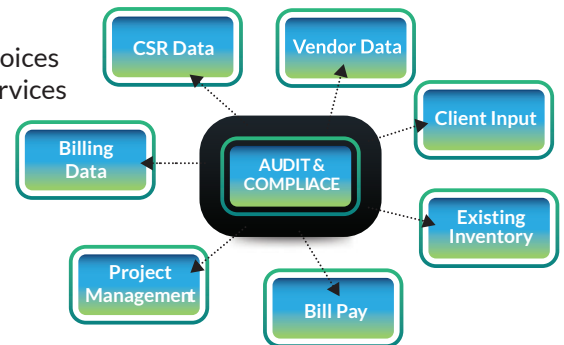

AUDIT & COMPLIANCE

As the landscape of information technology continues to evolve, many businesses lack the resources, tools and know-how required to manage the full lifecycle of their expense management processes. In the wake of continued IT spending growth, you may be losing money to inefficient processes and lack of visibility into your telecom and IT expenses.

With Cannon Group's Audit and Compliance solutions, we'll do all that for you. This fully managed service combines a blend of IT expense management experts, proven processes and industry-leading tools that drive organizational success by helping IT teams get a handle on their ever-rising expenses.

We'll scrutinize everything from CSRs, invoices and contracts to existing inventory and services to ensure proactive cost optimization and reduced risk. More specifically, our Audit and Compliance program covers:

- **Contract compliance**
- **Bill transaction audit**
- **Inventory audit**
- **Optimization**

With Cannon Group's Audit and Compliance solutions, you'll be able to:

- ✓ **Recover and mitigate:** Establish a control process for a nominal investment to reduce your risk of financial loss due to erroneous billing
- ✓ **Reallocate your budget:** Invest the realized savings into more efficient and cost-effective infrastructures or services
- ✓ **Gain visibility:** Get greater clarity into the contracts and expenses for more informed, profitable decision-making
- ✓ **Identify actionable steps:** Benefit from a summarized action plan so you can better manage costs and recover overpayments
- ✓ **Optimize your staff:** Offload the non-essential tasks to free up valuable internal resources for business-critical tasks
